SNT WHIRLPOOL ADA WALK IN TUB

Want a walk-in bathtub that has all the bells and whistles? Need a safe solution for bathing that's also luxurious and relaxing? The Sanctuary Whirlpool Duo by SNT is built for satisfaction and security. This 31" W x 50" L walk-in bathtub features a 17-inch high ADA-compliant seat, a low step-in height of 6", and an inward swinging door to conserve space in tight bathrooms. A stainless steel frame and reinforced fiberglass shell with a triple-gel coating make this bath tub sturdy and give it an elegant look that's sure to complement your existing decor.

PRICE: \$5,862.00

This 50-gallon safety tub is equipped with 6 adjustable water jets and 15 air jets to massage tense muscles and relieve the stress you accumulate throughout the day. The Sanctuary Whirlpool Duo includes a lifetime warranty on the door seal, a 10 year warranty on the tub itself, a 5 year warranty on the pump and motor, and a 1 year warranty on the faucets. Contact a SNT CARES bath safety expert today to order your Sanctuary Whirlpool Duo and experience the ultimate in comfort, luxury, and security during bath time!

Built-In, ADA-Compliant, 17" Contoured Seat

SNT Installation of a SNT Walk In Bath Tub follows the basic steps below.

SNT: \$2,248.00

We generally recommend installation be performed by a qualified plumber or contractor, although in certain instances installation can be performed by the end-user.

1. Removal and disposal of your old bathtub or shower
2. Preparation of the area - floor repairs, GFI circuit installation (for jetted units), etc.
3. Preparation of the walk in tub - adjusting the tub levelers, drain installation (for Full Bather units), etc.
4. Water line and drain hookups
5. Electrical connections (for jetted units)
6. Testing for leak free seals and working jets
7. Wall, trim, or tiling repair or simple cleanup

COMPLETELY INSTALLED: \$8,110.00
